**Expanded Recall of Medical Marijuana
Products – Moon Mix, LLC – Batches
154 and 19-0001**

OMMA is expanding the recall that was first initiated on May 15, 2020 of Batch 158 to include batches 154 and 19-0001. The Oklahoma Medical Marijuana Authority (OMMA) is requesting an immediate recall of certain products processed by Moon Mix, LLC, a medical marijuana processor in the Oklahoma County area.

The products being recalled are vape cartridges and possibly other products processed by Moon Mix that show Batch Numbers 154 and 19-0001 on the labeling. Medical marijuana products from Batches 154 and 19-0001 have failed required testing and may not be safe for consumers.

OMMA is requesting that Moon Mix, LLC and any dispensaries in receipt of the affected products initiate an immediate recall of these products. Dispensaries should notify patients or caregivers who purchased these medical marijuana products.

Patients or caregivers who have affected medical marijuana products in their possession should contact the dispensary they purchased the products from for information on its recall procedures.
